**Details of the Programmes not taught/closed by the institution:**

Sr. No.	Courses	Year of Commencement	Duration	Affiliation (Permanent / Temporary)
1	BVoc Green House Management	2014	3 Years	Temporary

BVoc (Green House Management) was functional from 2014 till 2021-22. There were no admissions in FYBVoc (Green House Management) from 2020-21, hence the programme had to be closed.

In the assessment period i.e. 2019 to 2024, BVoc was functional till 2022 (only SY and TY were functional in 2020-21 and only TY was functional in 2021-22), hence it was included in the affiliation letter.

Since there were no admissions, it was decided to close the programme.
